

West Jefferson Hills School District

Player Commitment Letter

As a TJHS player, I understand that wanting to win on the day of the game is worth little unless I have the will to prepare to win before the day of the game. So that I might be the best player and teammate that I am capable of becoming, I pledge to do the following:

1. I promise to make soccer a top priority so that I will attend all mandatory practices, games and Team Functions, from August 15-the end of our season.
2. I promise to be on time for all mandatory Team events.
3. I promise to work hard at all practices and on my own, to improve my soccer skills and understanding of the game.
4. I promise that, at training, I will give the coaches my full attention and I will not distract others during the training session.
5. I promise to do whatever is asked of me on the field, without complaining, for the good of the program.
6. I promise to play to the best of my ability, no matter which position my coaches place me on the field as.
7. I promise to come to each training session and game, on time, well rested, and with a winning and positive attitude.
8. I promise to act professionally at all times. Including on Social Media platforms. Be careful what you post. These posts are out there for anyone to see and are permanent.
9. I promise to not use illegal drugs or alcohol. I realize if I use these substances, I will be removed from the Program.
